**15 December 2016**

### **Personnel**

Werner Stegmüller, Member of the Board of Management of KSB AG, Frankenthal, responsible for Finance among other areas, has today informed Dr. Thomas Seeberg, Chairman of the Supervisory Board of KSB AG, that he intends to accept a new professional challenge. He therefore asked that his contract, scheduled to expire at the end of 2017, be terminated earlier. The Supervisory Board will examine this request; the exact date of such a potential early termination will be announced at a later point of time.

Mr. Stegmüller will in any case be available until the Annual General Meeting in May 2017. This will provide sufficient time for a proper transfer of responsibilities.
